DIXMUDE CAPTAIN DEAD IN MEDITERRANEAN

FISHERMAN FINDS BODY NEAR THE SICILIAN COAST

CREW MAY HAVE JUMPED WITH
PARACHUTES BEFORE THE
CRASH CAME

ALL BELIEVED LOST IN DISASTER
OVERCOMING FRENCH NAV-
AL DIRIGIBLE

(By United Press)
Paris, Dec. 28.—The body of
Captain De Plexis De Grenada,
commander of the ill-fated French
dirigible Dixmude, was found
by a fisherman in the Mediter-
ranean sea off the Sicilian coast,
it was officially announced today.

Officials of the ministry of marines
said they believed the airship was
lost at sea several days ago. The
crew may have jumped with para-
chutes and life preservers before the
crash, but there is little hope that
any are still alive unless they have
been picked up by fishermen, the
ministry pointed out.

Tempests which raged over the
Mediterranean and northern Africa
last Friday and Saturday are believ-
ed to have driven the Dixmude from
the Gulf of Gabes out to the open sea
where it may have crashed and sunk.
The Sicilian came upon the com-
mander's body as it floated in the sea
some six miles off the little town of
Siacca near Girgenti. Papers found
in the pockets served to identify it.

Whether Captain De Grenada had
leaped overboard from the Dixmude
or whether he and the 49 others who
sailed in the dirigible from Caters
Pierrefeu ten days ago were carried
down in the crash was not made
clear.

French airships were immediately
ordered to patrol waters between
Tunis and Silesia in the fear that the
others of the Dixmude's crew may
have been drowned and their bodies
carried away in the storms of the
last week end.

Announcement of the finding of
Captain De Grenada's body comes at
a moment when false hopes had been
raised by reports from Insalah, an
oasis in the Sahara desert, telling of
the Dixmude having been seen south
of here as late as Wednesday night.

Native tribesmen were reported to
have ridden 200 kilometers across
the desert to report the "big bird of
the sky" to the French commander
at Insalah and airplanes were im-
mediately dispatched in search of the
dirigible.

The finding of De Grenada's body
in the Mediterranean some 255 miles
northeast of Tunis does not mean,
the ministry of marines pointed out,
that the Dixmude herself may not
have drifted 1,000 miles to the south-
ward. But it is unlikely the young
captain would have deserted his air-
ship except in her last extremity.

The ministry pointed out that in
the event of the news from Insalah
being correct and the airship having
drifted over the Sahara, her occu-
pants, if any, face experiences even
more terrible than those feared for
them. Savage tribes inhabit the
Hoggar region 1,000 miles from Al-
giers whither the natives reported
having seen the dirigible drifting.
All recall the terrible massacre at the
Flatters mission years ago.

The Hoggar region is in what is
practically the center of the Sahara,
a district almost inaccessible from
the outside and relief workers would
require weeks, possibly months to
penetrate it. Nevertheless, before
word was received of the gruesome
find'ag of the body of the captain, re-
lief expeditions were ordered to make
the start.

The finding of Captain De Gren-
ada's body was reported by the
French naval attaché at Rome. He
received his information from the
Italian naval authorities at Palermo.
The French cruiser Mulhouse and
three other boats at once started
there.

The ministry of marines' commu-
nique at midnight said a telegram had
been received from Martin Prey,
transmitting the following which
had been released by couriers from
Insalah:
"The Dixmude was observed 200

(By United Press)
Chicago, Dec. 28.—An increase
of two cents a gallon for gasoline,
effective in 10 states of the mid-
west tomorrow, was announced
today by the Standard Oil com-
pany of Indiana.

Present prices vary from 14c to
17c a gallon. The increase, it
was said, was due to the advanced
price of crude oil.

The states affected are Minne-
sota, North and South Dakota,
Illinois, Indiana, Iowa, Wisconsin,
Kansas, Michigan and Missouri.
Northern Oklahoma is also af-
fected.

FORMER COOK HELD ON MURDER CHARGE

(By United Press)
New York, Dec. 28.—Frank R.
Brenner, 26, former cook in the Uni-
ted States army, was held without
bail for a hearing January 7th when
arraigned today for the murder of
Estelle Phillips.

It was expected an indictment
would be returned by the grand jury
before the hearing.

Brenner was removed to jail with-
out bail.

TRAGEDY RESULTS FROM FAMILY QUARREL

(By United Press)
Council Bluffs, Iowa, Dec. 28.—
While their five children, looked on,
John Mickeltree, 50, salesman, shot
and seriously wounded his wife Celia,

shot himself. Mickeltree died short-

the hospital today. The tragedy was
the result of a family quarrel.

kilometers south of Insalah, suppos-
edly headed towards Tamnassat. A
patrol under French command start-
ed immediately for Hoggar. A second
patrol went to Hangain. A
swift courier was dispatched to Ah-
met to confirm the Dixmude's pres-
ence and to carry instructions to her
commander in case the dirigible
landed.

Whether the dirigible as seen by
the natives near Hagur appeared to
have men aboard was not ascertain-
ed.

Very likely, the ministry said, the
simple natives would not be capable
of determining that, for they regard
the airship with awe as some magic
thing.

The ministry actually believes the
Dixmude has drifted into the Sahara
for officials cannot imagine why
tribesmen should make up the tale
and travel 200 miles to tell it, know-
ing that they would be punished if it
were not correct.

Mirages, according to the ministry,
are not common there. However, the
natives' report lacks confirmation.

DRIVEN 150 MILES PER HOUR BY GALE

Naples, Dec. 28.—The lost dirigi-
ble Dixmude was being driven 150
miles an hour before a raging tem-
pest over the Mediterranean sea, the
captain of the Italian steamer Porto
Di Alessandria reported today.

The captain said he picked up the
Dixmude's distress signals followed
by two more at short intervals while
he was following the Naples-Deng-
haz route on December 25. At that
time the gales were of terrific vio-
lence. Since the Italian steamer
picked up the signals, the violence
of the storm in the Tyrrhenian and
Ionian seas increased.

Vessels bound for the near east
and Egypt were delayed three days.

OFFICIAL ANNOUNCEMENT MADE OF DISASTER

London, Dec. 28.—The Exchange
Telegram company's Paris correspon-
dent says it was officially announced
there that the French naval dirigible
Dixmude was lost at sea.

(By United Press)

ernment of Poland, through its
minister here, has made represen-
tations to the state department
concerning interference of the
Washington police with the pri-
vate liquor supply of a Polish dip-

Secretary of State Hughes as-

THREE NOTORIOUS OREGON BANDITS

D'AUTREMONT BROTHERS BE-
LIEVED TO HAVE BEEN IN
HIBBING

(By United Press)
Hibbing, Minn., Dec. 28.—The
three D'Autremont brothers, notori-
ous Oregon bandits hunted through-
out the nation, were in Hibbing ten
days ago, police said today.

Leo Coons, farmer residing near
here, positively identified a photo-
graph of one of the brothers as hav-
ing stayed at the Northern hotel,
when he was a guest there.

Police also learned that one of the
brothers made purchases at a local
drug store. They have disappeared
but close watch is being kept on
lumber camps nearby.

Coons, after reading accounts of
the appearance of the D'Autremont
brothers in Minnesota last week, ap-
peared at the police station and de-
scribed the three men who stayed at
the hotel. He was then shown pic-
tures of them and said he could po-
sitively identify one of the trio.

All three men were dressed in
woodsmen clothes, Coons said, and
remained in their rooms almost all
the time during the four days he was
at the hotel.

The D'Autremont brothers staged
a train robbery near Siskujon, Ore.,
last October in modern desperado
style, using dynamite.

Ernest Vetter, convicted of the kill-
ing of Alonzo Storey, former sweet-
heart of the woman, were sentenced
to from eight to fifteen years in pri-
son by Judge Humphrey in Queens
county court today.

"Do not give way as you did dur-
ing the trial," the Judge cautioned
Mrs. Vetter, who replied she was
sorry she had caused the court and
the people so much trouble.

Judge Humphrey then sentenced
both Mr. and Mrs. Vetter to from 8
to 15 years.

CORONER'S JURY INVESTIGATES FIRE

(By United Press)
Chicago, Dec. 28.—With 18 per-
sons known dead and 13 inmates still
missing, a coroner's jury today start-
ed an investigation of the fire which
swept the Chicago state hospital for
the insane Wednesday night.

In a tangled mass of debris police
last night found the charred body of
another man, bringing the total num-
ber of dead to 18. The body was
too badly burned to make identifica-
tion possible.

SAILSTAD AND HIS "SUNSHINE GIRL" ARE SENTENCED

WILL SPEND FOUR YEARS IN
PRISON FOR ARSON COM-
MITTED

WERE BROUGHT BACK FROM
HONEYMOONING IN CALI-
FORNIA

(By United Press)
Superior, Wis., Dec. 28.—Ed-
ward J. Sailstad and his "Sun-
shine Girl," Dorothy Anderson
will spend four years in prison
for arson.

They were sentenced by Su-
perior Judge Archibald McKay
shortly before 11 a. m. today.

Brought back from California af-
ter three years of honeymooning the
nomadic lovers will at last be sepa-
rated.

In October, 1920, in order to cover
their elopement, Sailstad and the
girl dug up the body of Allan McFee
and burned it in the summer cottage
of Sailstad's on Lake Nebagamon.
Then they fled.

Authorities believed the charred
corpse in the ruins to be that of Sail-
stad and his wife subsequently col-
lected about \$35,000 in insurance
after a court battle. Approximately
\$75,000 more of insurance is still tied
up in the courts.

Mrs. Sailstad later was remarried
to L. R. Richardson, Eau Claire.
Since Sailstad and his "Sunshine
Girl" were brought back, the Rich-
ardsons have separated temporarily.
In spite of the publicity given the
case, Sailstad has again reiterated
his love for Dorothy and she adheres
to her love for him. She has been
received by members of the Sailstad
family as one of their own.

Sailstad will go to Waupun peni-
tentiary tonight to serve his four
year sentence. He plead guilty
without a trace of emotion when the
charge was read.

Dorothy was sentenced to the wo-
men's reformatory at Keweenaw,
Wisconsin, for year years. She too
received the sentence with calmness.

"We have talked it over and are
ready to pay," said Sailstad. "After
it is all over we hope to be married."

Dorothy Anderson was Sailstad's
secretary when he was president of
a manufacturing concern at Eau
Claire.

Boston, Dec. 28.—William M. But-

Coolidge, will be a candidate for the
republican nomination for United
States senator to oppose David I.

ing candidacy by telegram from Chi-
cago upon receipt of word that Gov-
ernor Channing Cox intends to re-

of his term as governor instead of
running for the senate.

Kokomo, Indiana, Dec. 28.—Dam-
age estimated at between \$500,000
and \$750,000 was caused by a fire
which destroyed a block of buildings
in the business section of this city

The fire was fanned by a high
wind and an explosion of oils and
paints in a hardware store fed the
flames.

HUMAN SEX REVERSAL

SCIENCE MAY FIND A WAY TO
CHANGE MALE INTO
FEMALE

(By United Press)
Cincinnati, Ohio, Dec. 28.—Science
may find a way for the girl who
wants to be a boy.

Human sex reversal—changing
male into female—was described to-
day by Dr. Oscar Riddle as "wholly
probable."

"It merely waits," he said, "the
definitely directed efforts of scien-
tists."

Addressing the American Society
of zoologists Dr. Riddle revealed the
simple story of a female dove that
was completely changed into a male.
From this incident he drew the con-
clusion that "they believe that no
bodily or mental characteristics are
irrevocably fixed and uncontrollable."

The dove experiment was conduct-
ed at the Carnegie station for ex-
perimental evolution at Cold Springs
Harbor, Long Island, New York,
where Mr. Riddle is a member of the
research staff.

Tuberculosis infection was the
agent through which the female dove
was changed into a male.

"At the beginning," said Riddle,
"there was nothing to indicate that
this bird was at all unlike the many
thousand doves which had been stud-
ied by us during the period of 13
years."

"She laid eleven eggs between
January 27th and April 14th, 1914.
Egg laying ceased on the latter date
and a few months later the bird as-
sumed the behavior of the male dove
and even forced her mate to take the
part of the female in mating."

"Still later the former female dove
developed the crow of the cock pi-
geon. During this period the body
weight of the bird was increased so
that it became more nearly that of
the male dove."

'LEECH FOR GOVERNOR' BANQUET LAUNCHED

Minneapolis, Dec. 28.—A pull for
Mayor George E. Leech for governor
will be launched here January 18.
More than 600 invitations to a

been sent broadcast over the state.
The banquet place is the West hotel.

Friends of Mayor Leech are provid-
ing the dinner and the selected list
of guests includes politicians, Ameri-
can Legion men and many former
members of the 151st field artillery
which Mayor Leech as Colonel com-
manded during the war. The 151st
band will provide music for the din-
ner.

Dr. W. F. Maertz, New Prague, is
signer of the invitations. He said
"A Leech for Governor club will be
formed in every county of the state."

MAY BARE INSIDE STORY OF THE KU KLUX KLAN

ADHERENCE OF EDWARD YOUNG
CLARKE, FORMER IMPERIAL
WIZARD, UNDER FIRE

CLARKE ASKS ALL KLANSMEN
TO "CLEAN OUT THE KLAN
OR DISBAND IT"

(By United Press)
Washington, Dec. 28.—Investi-
gation of the Mayfield case in
the senate is to be made the ve-
hicle for hearing the inside story
of the Ku Klux Klan adherence
of Edward Young Clarke, for-
mer imperial wizard, said here
today.

If President Coolidge does not re-
spond to Clarke's appeal filed yester-
day at the White House that the
president take the lead in a move-
ment to clean up the Klan or stamp
it out, the order will be "put on trial
before the court of public opinion,"
Edgar Fuller, Clarke's representative
said today.

The Mayfield case in which George
E. B. Teddy and others are contest-
ing the right of Earle B. Mayfield
to a seat in the senate from Texas
hinges in part on allegations that
Mayfield is or was a Klan member.
Fuller said Clarke was in conference
today with "a body of representa-
tive citizens of the nation" and that
he would probably issue a proclama-
tion today calling on all Klansmen
to meet in national assembly "to
clean out the Klan or disband it."

Fuller said Clarke's open letter
and statement given out here yester-
day had brought a flood of congratu-
latory letters and telegrams from all
over the country pledging support to
Clarke.

MEXICAN SENATE RATIFIES AMERICAN CLAIMS CONVENTION

Mexico City, Dec. 28.—The Mexi-
can senate today ratified the special
claims convention with the United
States by a vote of 42 to 5.

To Be Considered Here Soon

Washington, Dec. 28.—The Mexi-
can claims convention will be taken
up by the senate foreign relations
committee immediately after the
holidays, Senator Lodge, chairman of
the committee said today.

Lodge said if President Coolidge
wished action immediately, he
thought there would be no objection
from members of the committee who
are now inclined to ignore revolu-
tionary disturbances.

After the Mexican senate has rat-
ified the treaty, Lodge believes action
can be taken at once.

(By United Press)

ernment of Poland, through its
minister here, has made represen-
tations to the state department
concerning interference of the
Washington police with the pri-
vate liquor supply of a Polish dip-

learned today.

Secretary of State Hughes as-
sured the minister that the state
department would make a thor-
ough investigation of the reported
occurrence, it was understood.

THREE NOTORIOUS OREGON BANDITS

D'AUTREMONT BROTHERS BE-
LIEVED TO HAVE BEEN IN
HIBBING

(By United Press)
Hibbing, Minn., Dec. 28.—The
three D'Autremont brothers, noti-
ous Oregon bandits hunted through-
out the nation, were in Hibbing ten
days ago, police said today.

Leo Coons, farmer residing near
here, positively identified a photo-
graph of one of the brothers as hav-
ing stayed at the Northern hotel,
when he was a guest there.

Police also learned that one of the
brothers made purchases at a local
drug store. They have disappeared
but close watch is being kept on
lumber camps nearby.

Coons, after reading accounts of
the appearance of the D'Autremont
brothers in Minnesota last week, ap-
peared at the police station and de-
scribed the three men who stayed at
the hotel. He was then shown pic-
tures of them and said he could posi-
tively identify one of the trio.

All three men were dressed in
woodsmen clothes, Coons said, and
remained in their rooms almost all
the time during the four days he was
at the hotel.

The D'Autremont brothers staged
a train robbery near Siskiyon, Ore.,
last October in modern desperado
style, using dynamite.

TWO CONVICTED OF MURDER, SENTENCED

(By United Press)
New York, Dec. 28.—Marie and
Ernest Vetter, convicted of the kill-
ing of Alonzo Storey, former sweet-
heart of the woman, were sentenced
to from eight to fifteen years in pri-
son by Judge Humphrey in Queens
county court today.

"Do not give way as you did dur-
ing the trial," the judge cautioned
Mrs. Vetter, who replied she was
sorry she had caused the court and
the people so much trouble.

Judge Humphrey then sentenced
both Mr. and Mrs. Vetter to from 8
to 15 years.

CORONER'S JURY INVESTIGATES FIRE

(By United Press)
Chicago, Dec. 28.—With 18 per-
sons known dead and 13 inmates still
missing, a coroner's jury today start-
ed an investigation of the fire which
swept the Chicago state hospital for
the insane Wednesday night.

In a tangled mass of debris police
last night found the charred body of
another man, bringing the total num-
ber of dead to 18. The body was
too badly burned to make identifica-
tion possible.

SAILSTAD AND HIS "SUNSHINE GIRL" ARE SENTENCED

WILL SPEND FOUR YEARS IN
PRISON FOR ARSON COM-
MITTED

WERE BROUGHT BACK FROM
HONEYMOONING IN CALI-
FORNIA

(By United Press)
Superior, Wis., Dec. 28.—Ed-
ward J. Sailstad and his "Sun-
shine Girl," Dorothy Anderson
will spend four years in prison
for arson.

They were sentenced by Su-
perior Judge Archibald McKay
shortly before 11 a. m. today.

Brought back from California af-
ter three years of honeymooning the
nomadic lovers will at last be sepa-
rated.

In October, 1920, in order to cover
their elopement, Sailstad and the
girl dug up the body of Allan McFee
and burned it in the summer cottage
of Sailstad's on Lake Nebagamon.
Then they fled.

Authorities believed the charred
corpse in the ruins to be that of Sail-
stad and his wife subsequently col-
lected about \$35,000 in insurance
after a court battle. Approximately
\$75,000 more of insurance is still tied
up in the courts.

Mrs. Sailstad later was remarried
to L. R. Richardson, Eau Claire.
Since Sailstad and his "Sunshine
Girl" were brought back, the Rich-
ardsons have separated temporarily.

In spite of the publicity given the
case, Sailstad has again reiterated
his love for Dorothy and she adheres
to her love for him. She has been
received by members of the Sailstad
family as one of their own.

Sailstad will go to Waupun peni-
tentiary tonight to serve his four
year sentence. He pleaded guilty
without a trace of emotion when the
charge was read.

Dorothy was sentenced to the wom-
en's reformatory at Keweenaw,
Wisconsin, for year years. She too
received the sentence with calmness.

"We have talked it over and are
ready to pay," said Sailstad. "After
it is all over we hope to be married."

Dorothy Anderson was Sailstad's
secretary when he was president of
a manufacturing concern at Eau
Claire.

ler, campaign manager for President
Coolidge, will be a candidate for the

wind and an explosion of oils and
paints in a hardware store fed the
flames.

HUMAN SEX REVERSAL

SCIENCE MAY FIND A WAY TO
CHANGE MALE INTO
FEMALE

(By United Press)
Cincinnati, Ohio, Dec. 28.—Science
may find a way for the girl who
wants to be a boy.

Human sex reversal—changing
male into female—was described to-
day by Dr. Oscar Riddle as "wholly
probable."

"It merely waits," he said, "the
definitely directed efforts of scien-
tists."

Addressing the American Society
of zoologists Dr. Riddle revealed the
simple story of a female dove that
was completely changed into a male.
From this incident he drew the con-
clusion that "they believe that no
bodily or mental characteristics are
irrevocably fixed and uncontrollable."

The dove experiment was conduct-
ed at the Carnegie station for ex-
perimental evolution at Cold Springs
Harbor, Long Island, New York,
where Mr. Riddle is a member of the
research staff.

Tuberculosis injection was the
agent through which the female dove
was changed into a male.

"At the beginning," said Riddle,
"there was nothing to indicate that
this bird was at all unlike the many
thousand doves which had been stud-
ied by us during the period of 13
years."

"She laid eleven eggs between
January 27th and April 14th, 1914.
Egg laying ceased on the latter date
and a few months later the bird as-
sumed the behavior of the male dove
and even forced her mate to take the
part of the female in mating."

"Still later the former female dove
developed the crow of the cock pi-
geon. During this period the body
weight of the bird was increased so
that it became more nearly that of
the male dove."

'LEECH FOR GOVERNOR' BANQUET LAUNCHED

Minneapolis, Dec. 28.—A pull for
Mayor George E. Leech for governor
will be launched here January 18.
More than 600 invitations to a
"Leech for Governor" dinner have
been sent broadcast over the state.
The banquet place is the West hotel.
Friends of Mayor Leech are provid-
ing the dinner and the selected list
of guests includes politicians, Ameri-
can Legion men and many former
members of the 151st field artillery
which Mayor Leech as Colonel com-
manded during the war. The 151st
band will provide music for the din-
ner.

Dr. W. F. Maertz, New Prague, is
signer of the invitations. He said
"A Leech for Governor club will be

MAY BARE INSIDE STORY OF THE KU KLUX KLAN

ADHERENCE OF EDWARD YOUNG
CLARKE, FORMER IMPERIAL
WIZARD, UNDER FIRE

CLARKE ASKS ALL KLANSMEN
TO "CLEAN OUT THE KLAN
OR DISBAND IT"

(By United Press)
Washington, Dec. 28.—Investi-
gation of the Mayfield case in the
senate is to be made the ve-
hicle for hearing the inside story
of the Ku Klux Klan adherence
of Edward Young Clarke, for-
mer imperial wizard, said here
today.

If President Coolidge does not re-
spond to Clarke's appeal filed yester-
day at the White House that the
president take the lead in a move-
ment to clean up the Klan or stamp
it out, the order will be "put on trial
before the court of public opinion,"
Edgar Fuller, Clarke's representative
said today.

The Mayfield case in which George
E. B. Teddy and others are contest-
ing the right of Earle B. Mayfield
to a seat in the senate from Texas
hinges in part on allegations that
Mayfield is or was a Klan member.
Fuller said Clarke was in conference
today with "a body of representa-
tive citizens of the nation" and that
he would probably issue a proclama-
tion today calling on all Klansmen
to meet in national assembly "to
clean out the Klan or disband it."

Fuller said Clarke's open letter
and statement given out here yester-
day had brought a flood of congrat-
ulatory letters and telegrams from all
over the country pledging support to
Clarke.

MEXICAN SENATE RATIFIES AMERICAN CLAIMS CONVENTION

Mexico City, Dec. 28.—The Mexi-
can senate today ratified the special
claims convention with the United
States by a vote of 42 to 5.

To Be Considered Here Soon

Washington, Dec. 28.—The Mexi-
can claims convention will be taken
up by the senate foreign relations
committee immediately after the
holidays, Senator Lodge, chairman of
the committee said today.

Lodge said if President Coolidge
wished action immediately, he
thought there would be no objection
from members of the committee who
are now inclined to ignore revolu-
tionary disturbances.

After the Mexican senate has rat-
ified the treaty, Lodge believes action
can be taken at once.

a young girl. He was also accused
of seduction.

Whetter, state parole agent, and taken
at once to Stillwater to serve out
his entire seven year term.

ity selection for president.

"The Committee of Three"
Announces the Season's Most Important Theatrical Event!
Mr. Guy Bates Post,
"America's Great Actor"
In His Greatest Success,
"The Climax"
[The Song of a Soul]

St. Paul, Metropolitan Theatre, Jan. 6 & Week
Minneapolis, " " " 13 " "

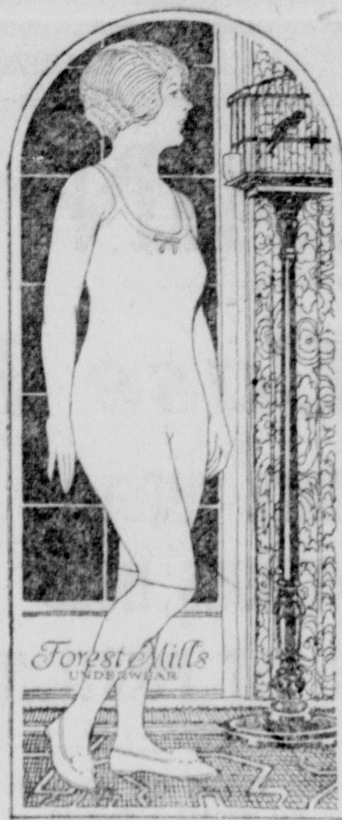

"The Committee of Three" are representatives of "America's Theatre Managers' Association," selected by them to secure, at least once each season, a representative star to be surrounded by a company of players of positive worth and appear in a play of wide popular appeal—this company to make a transcontinental tour under the insurance and assurance of the "Committee."

This move on the part of the theatre managers assures the amusement lovers in all cities the same carefully cast and completely produced productions that have heretofore been seen only in the favored cities of America. In his present play, "The Climax," Mr. Post ignites the spark of genius that is a part of the subconscious mind of every man and woman, but lies latent in the souls of the vast multitude—Mankind has the same gift, so did Irving and Booth and Patrick Henry and Henry Ward Beecher. Shakespeare possessed it—or it possessed him—to a super degree, and when we see Guy Bates Post's tense impersonations, fidelity to natural detail and his resonant eloquence, he makes us know we are within the gripping reality of a new world of acting.

Master of "art"—that manifestation of emotion speaking the only language that is understood by all—irrespective of creed, nationality, sex or education—whether the expression be of the emotion of gladness, sadness, shocks or tears.

Only the standard price of fifty cents to two dollars for Wednesday matinee and fifty cents to two dollars and fifty cents for Saturday matinee, and from fifty cents to three dollars for night performances will be charged. Mail orders will be filled in order received when accompanied by purchase price plus tax and self-addressed stamped envelope—another innovation is that only the comfortable capacity of the gallery will be sold, and gallery seats can be had by mail or on personal application at the box office—in advance—the same as seats in any other part of the theatre. There will be no laying aside of seats or reservations made by phone. The "Hot" Populace will have first choice—either by mail or personally.

"The Committee of Three"
Announces the Season's Most Important Theatrical Event!
Mr. Guy Bates Post,
"America's Great Actor"
In His Greatest Success,
"The Climax"
[The Song of a Soul]

St. Paul, Metropolitan Theatre, Jan. 6 & Week
Minneapolis, " 13 " "

"The Committee of Three" are representatives of "America's Theatre Managers' Association," selected by them to secure, at least once each season, a representative star to be surrounded by a company of players of positive worth and appear in a play of wide popular appeal—this company to make a transcontinental tour under the insurance and assurance of the "Committee."

This move on the part of the theatre managers assures the amusement lovers in all cities the same carefully cast and completely produced productions that have heretofore been seen only in the favored cities of America.

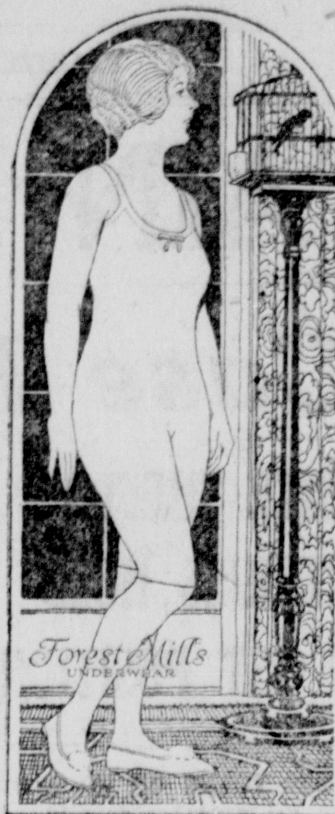

In the present play, "The Climax," Mr. Post ignites the spark of genius that is a part of the subconscious mind of every man and woman, but lies latent in the souls of the vast multitude—Mankind had the same gift, so did Irving and Booth and Patrick Henry and Henry Ward Beecher. Shakespeare possessed it—it possessed him—to a super degree, and when we see Guy Bates' Post's tense impersonation, his identity to natural detail and his his resonant eloquence, he makes us know we are within the gripping reality of a new world of acting.

Master of "art"—that manifestation of emotion speaking the only language that is understood by all—the expression of creed, nationality, sex or education—whether the expression be of the emotion of gladness, sadness, shocks or tears.

Only the standard price of fifty cents to two dollars for Wednesday matinee and fifty cents to two dollars and fifty cents for Saturday matinee, and from fifty cents to three dollars for night performances will be charged. Mail orders will be filled in order received when accompanied by purchase price plus tax and self-addressed stamped envelope—another innovation is that only the comfortable capacity of the gallery will be sold and gallery seats can be had by mail or on personal application at the box office—in advance—the same as seats in any other part of the theatre. There will be no laying aside of seats or reservations made by phone. The first applicants will have first choice—either by mail or personally.

MELVILLE S. RAYMOND, Director of Tour.

LEGION AWARE OF BEAUTY CONTEST

Leader in "Miss Brainerd Dispatch"
Beauty Contest With Escort
Admitted Free to Dance

RECOGNIZE PULCHRITUDE

Carnival Spirit to Reign at New
Year's Eve Dance, Balloons,
Confetti, and Everything

The young lady highest in the
"Miss Brainerd Dispatch" beauty
contest, as shown by next Monday's
paper, with her escort, will be given
free admission to the American
Legion New Year's eve dance on
Monday evening, December 31st.
This was so decided by the Legion
committee in charge of the grand
ball, and is a special mark of re-
cognition of the feminine beauty of
the city.

The committee is making exten-
sive preparations for what, in Amer-
ican Legion circles, promises to be
the biggest event of the winter sea-
son. Nothing will be left undone to
assure a royal time for everyone at-
tending. This will be a popular
way to usher in the new year.

From the program arranged, the
new year carnival spirit will reign
supreme. Over one hundred bal-
loons have been secured for the oc-
casion, fifty pounds of confetti,
fifteen hundred serpentine streamers
and three hundred noise makers. If
the committee has omitted from
this list, anything that should be
included to make the occasion a
still greater success, they will be
glad to entertain suggestions.

There are a number of novelty
dances scheduled including a prize
waltz, the favors for which are a
pair of dancing pumps for the lady
and a memorial ring for the gentle-
man.

The hall will receive such a dress
of decorations that even those who
are very familiar with the room will
not recognize it. Christmas and
New Year's schemes will vie with

each other for brilliance and favor,
and with the excellent music that
has been secured for the occasion, it
would seem that there is little more
that the entertainment committee
can do toward the enjoyment of
those who will attend.

JOHNSON-BURNTON CONCERT

To be Given Thursday Evening, Jan-
uary 3rd, at Clara Lutheran
Church

Lovers of good music will ap-
preciate the announcement of the
Johnson-Burton concert, schedul-
ed for next Thursday evening, Jan-
uary 3rd, at the Clara Lutheran
church.

Miss Alice Regina Johnson, pianist
is too well and favorably known in
Brainerd to need an introduction.
She is the daughter of Mr. and Mrs.
O. B. Johnson of this city and former
student of Mrs. W. A. M. John-
stone. During the past two years
she has studied with Kurt Wanick,
prominent Chicago teacher, affiliated
with the American Conservatory of

Music. Last year Miss Johnson
graduated from the teachers depart-
ment of the conservatory with high-
est honors. She has appeared in re-
citals at Kimball hall, churches and
at private musicals in Chicago.

A recent criticism in the "Music
News" is as follows: "Alice R. John-
son is a young artist of great pos-
sibilities. Her interpretation of a
Chopin number showed a thorough
knowledge of the composition and
was done beautifully. The audience
was delighted. Miss Johnson play-
ed an Impromptu and accompanied
at the musical with real artistry."

Miss Phyllis Burton is the
daughter of Aurora Natteson Bur-
ton, who was a prominent teacher of
the violin in the Northwest until
her death a few years ago. Miss
Burton is a pupil of William Jaffee
of Milwaukee and more recently of
Jacques Gordon, concert master of
the Chicago Symphony orchestra.

During the past two years Miss

Burton has appeared in recital
three times at Kimball Hall, as well
as before numerous clubs in Chicago
and various places in Wisconsin.
She was soloist with the Pond du
Lac Military Band and as such was
most successful. A recent number
of the "Music News" has this to say
of her playing:

Miss Phyllis Burton gained a
cordial recall for exceedingly good
playing in the beautiful first move-
ment of the violin concerto No. 2, by
Max Bruch."

FRANK WING AND HIS PENCIL

FRANK WING, known throughout the Northwest and then some, has left the capital of Minnesota and hied himself to the head of the lakes where he will wield the cartoonist destinies of the Duluth News Tribune. This is quite an honor as R. D. Handy, now treasurer and general manager of the paper, is no slouch at the cartoon game either.

Wing's specialty is a "photographic pen" which is used in a kindly manner. He will be remembered in Brainerd where he was a big factor in boosting the Fiftieth Anniversary celebration of the town. Wing at that time was in full flight in southern Minnesota sketching important personages in various towns and also adding the script to the same and following an itinerary arranged by the managing editor of the St. Paul Sunday Pioneer Press-Dispatch or whatever chief ordered Frank around the country. Frank was halted in southern Minnesota and sent post haste or shall we say special delivery haste, to Brainerd and there he sketched a whole page of celebrities. The publicity accorded did Brainerd's celebration a lot of good, in fact it acted like a tonic and stirred the town from end to end. Frank arranged for sittings at the Brainerd Dispatch office, and there in the cool shadows of the Goss Comet press, flanked by 800 pound rolls of print paper, the various subjects sat, talked with Frank, and had their pictures "took." When it was all run in the Sunday St. Paul Pioneer Press, Frank was good enough to let the Brainerd Dispatch have the whole cut for reproduction. The pictures were run and then the other papers in Brainerd ran them too.

Such phenomenal kindness on the part of a newspaper and its artist is appreciated and Frank Wing's name today is a household word throughout our city. Why, there are a lot of babies named after Frank and in the east somebody is making a "Wing" piano.

We notice Frank just dotes on these luncheon clubs and that his first entry or entree in Duluth was at the Kiwanis club. In Brainerd he revealed his appetite in no uncertain manner by blowing in at the Lions club. The Rotary club met the next day, but Frank couldn't stay over to accept their invitation.

Frank's kick, as confided to us, is that at times he is not appreciated at his full value. This editorial, entirely free, unsolicited, unpremeditated, is just sent in Wing's direction and we hope his new boss sees it too. We appreciate you, Frank, 100 per cent, and congratulate the Duluth paper on adding you to its staff.

HITS DRAINAGE PROJECTS

THADDEUS SURBER, the new chief of fisheries, state game and fish department, has voiced the need of exercising more care in our drainage projects in the upper part of Minnesota. Carried to excess, this drainage is not only injuring wild life and forests, but will eventually cause such a reduction in the annual amount of rain that there will be insufficient moisture in the state.

Mr. Surber urged legislation to curb unwise drainage projects, declaring that a great amount of money had been expended without suitable returns to compensation for the loss of natural resources.

Water levels in Minnesota, said Mr. Surber, are falling lower each year, and the spread of drainage has drawn off natural reservoirs which acted as sources of rainfall.

To Brainerd falls the credit of bringing low water levels to the attention of the State Game and Fish Commission. A dinner at the Ransford given months ago for Mr. Gould, State Game and Fish Commissioner, brought water levels up for discussion and all present sought a remedy. At the conclusion of the dinner a delegation from Gull lake entered the dining room and also made a plea for regulation of flowage over Gull lake dam.

Central Minnesota is aware of the importance of proper regulation of drainage projects. Extreme Northern Minnesota and Southern Minnesota still need awakening.

THERE was a sigh of relief in Washington, D. C., when somebody lost the list of 2,500 names which recorded all purchasers of bootleggers' wares. The Anti-Saloon League and the Association Against the Prohibition Amendment through its chiefs demand publication of the names, which may be in bad odor.

THE ELKS is not the only fraternal organization to burn mortgages with such eclat. The Brainerd Council of the United Commercial Travelers of America expects to burn an old note at their January meeting and the bonfire will be a source of real satisfaction and supreme relief to all concerned.

CAPTAIN WILLIAM H. FAWCETT of Breezy Point Lodge is always original. The captain and his wife were visiting in Montreal, Canada, and he sent out his Christmas greetings with a "cordial" tinge.

THE Cass Lake Times observes editorially that "Brainerd is wisely agitating for night schools. No man ever really 'graduates' and there is no use trying to kid himself that he can."

FRANCE's attitude towards Uncle Sam is well expressed by the Toledo Blade: "You may come over and talk reparations with us, if you will agree to what we say."

RALPH BUDD, president of the Great Northern railway company, emphasizes diversified farming as the road to agricultural prosperity in the Northwest.

"OURS is a government by party and must always be," said Abraham Lincoln. That was before the rise of the bloc, it seems.

"BLACK OXEN" are not as black as they were painted in advance notices of the book and librarians' reports.

THREE women held representation in the state legislature last year and more are expected to file in 1924.

BULLETINS on the Mexican revolution seem to vary as much as those dished out during the World war.

POSTPONE TERM DISTRICT COURT

Adjourned Term Opening January 2, Now Set for Monday, January 21

JURORS ARE NOTIFIED

District Court Continuance at Walker Made Necessary Change at Brainerd

The adjourned term of the district court, which was to have convened on Wednesday, January 2nd, has been postponed until Monday, January 21st, and the hour of opening changed from ten o'clock to 9 o'clock in the morning. W. A. M. Johnston, clerk of the court, has so notified the jurors and others directly interested in this adjourned term.

The change in date was made necessary because of the continuance of the district court at Walker, which was started in December. Because of a death in the family of one of the jurors, on an important case being tried, court there was adjourned until January 2nd, and the Brainerd term postponed until January 21st.

This adjourned term, will be quite an important one, since there are a number of cases to be tried. The first one on the calendar is said to be that of Maude Mutch against John W. Anderson, which is a personal injury case.

Following this in the order now planned, are the following civil cases:

George French against Wesley Curo, Fred Kemper and C. S. Randall.

Winston-Harper-Fisher Co., against M. K. Swartz.

William Pascoe against Mangan Iron & Steel Co.

James S. Matteson against Keating Land Co.

George H. Gardner against the Brainerd Publishing Co.

There are a number of criminal cases to follow the above civil actions, one of which is the re-trial of the State against George Lindsey, charged with carnal knowledge. The jury disagreed when this case was first tried at the November term. There will be some new criminal cases brought from the municipal court since the district court adjourned.

The personal property tax cases were all disposed of by the court in chambers on December 6th, which helps materially in cutting down the length of the coming term.

Obituary

Alice Gertrude Anderson, daughter of Mr. and Mrs. A. U. Anderson, was born in Brainerd, August 3rd, 1900. She attended the public schools of the city and graduated from the high school in 1919. Later she took up nursing at the Northern Pacific hospital, graduating from that institution in 1922.

Miss Anderson was a devoted member of the Clara Lutheran church. Here she attended the Sunday school and was confirmed in 1918.

During the past summer she suffered a very severe siege of "flu" and pleurisy, which left her in a badly weakened condition, and other diseases soon made themselves apparent. She was hurried to a specialist for treatment, but passed away on December 21st, at Memorial hospital, Minneapolis.

Miss Anderson denied herself many pleasures in preparing for a useful life. The summons came when she was ready to make the most of her profession in the relief of sickness and suffering. Having grown to womanhood in this city, she had many friends, and was loved and respected by all who knew her.

Among those who mourn her unexpected departure are her parents, and a sister, Mrs. John Holvick of Brainerd, a sister, Mrs. Stephenson of Duluth and one brother, Harry Anderson, also of Brainerd.

Funeral services were held from the family home on the day before Christmas, Rev. August Samuelson officiating. The male quartet of the Clara Lutheran church rendered appropriate music. Interment was made in Evergreen cemetery.

Card of Thanks

We wish to express our heartfelt thanks to our friends and neighbors for their many kindnesses and sympathy shown us in our recent sad bereavement, the loss of our beloved son Raymond. Also for the many beautiful flowers.

"THE SONG OF THE LARK"

Jules Adolphe Breton's Painting Reproduced on Calendar of First National Bank

"The Song of the Lark," painted by Jules Adolphe Breton, is reproduced on the calendars of the First National bank. It is one of Breton's finest paintings. The sun is just peeping above the horizon turning the blue of the sky to rose. The farmhouse in the distance is still sleeping, while the sturdy French peasant girl, on her way to a task for which she has little enthusiasm, hears above her the song of the morning lark, and with her voice joins in its joyous melody.

"The Song of the Lark" may correctly be included in the ten most popular paintings in the world. It is the best liked of all paintings in the Art Institute of Chicago.

Christmas Tree and Entertainment For Poor Was A Great Success

The Salvation Army had their entertainment and Christmas tree last Wednesday night. The hall was crowded to the door where about 175 were present. One hundred and forty sacks with candy, nuts, oranges and apples, were given out. Besides this there were nearly 300 toys distributed, which were given by the merchants. Santa Claus surely knew the children in Brainerd this time, everything went off fine.

The Salvation Army, through its adjutant, H. Oldhoff wishes to thank all who have aided to make the Christmas for the poor worth while. A report will be given later of how much income was received and what the expenses were.

Annual Meeting Will be Held Monday, January 14, in Farmers Room, Court House

TO ELECT NINE DIRECTORS

Later Will Then Elect From Its Number President and Other Officers

Notices are being mailed out announcing the annual meeting of the Brainerd Livestock Shipping Association, which will be held on Monday, January 14th, in the farmers room at the court house.

At this meeting there are to be nine directors elected, and this directorate will select the officers from its number, a president, vice president and secretary-treasurer.

Because of the death of the president, Otto Wendt, the association has been without a chief officer, Dick Sagli, the vice president performing the duties of the executive. Arthur Hagberg is completing the unexpired term of George McCulloch as shipping manager. Harold Olson is secretary-treasurer.

This year of 1923 has been the biggest in the history of the association, says Mr. Olson, and the members who have taken advantage of the facilities of the organization have profited greatly. It is stated that there are about 50 active members who have been shipping through the association the past year.

In addition to the shipping of livestock, which is the chief aim of the association, it has installed news scales at the Brainerd stockyards and made several other improvements, says Mr. Olson.

It is hoped that all members will be present at the annual meeting on January 14th, and take an active interest in the organization throughout the coming year. New members will receive a hearty welcome, and farmers are urged to affiliate with the association.

Short Circuit Results In Dynamite Explosion

Zanesville, Ohio, Dec. 28.—Five persons were probably fatally injured in the plant of the Pittsburgh Plate Glass company when 23 cases of dynamite exploded as the result of a short circuit. The injured were taken to the hospital.

The explosion occurred just before noon today. The blast shattered windows in Zanesville and Roseville. Houses rocked and hundreds ran into the streets panic stricken. The blast occurred in a quarry about half a mile from the plant when an electric drill used for sending off the explosive became short-circuited.

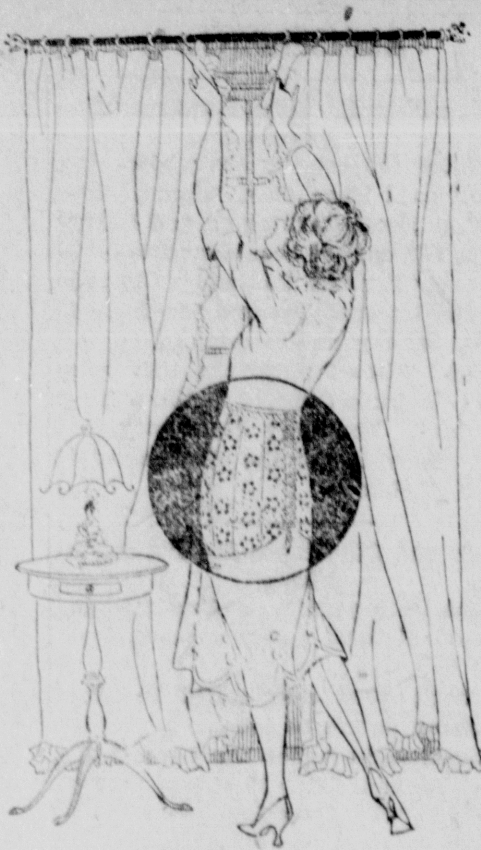

The injured are Ed Berry, James Barnett, both of Jultonham, Ester Bash, White Cottage, and two unidentified laborers.

WOMEN SCORE HIGHER THAN MEN IN COLLEGE PSYCHOLOGICAL TESTS

Cambridge, Mass., Dec. 28.—Recent psychological tests of a number of students at Harvard and Radcliffe colleges show that the girls scored over the men. The Harvard students show an average of 50.5 per cent in tests given 107 students while the Radcliffe girls have a 55 per cent average on tests of 37 girls.

The tests devised by Dr. Abraham A. Roback of Harvard, were based on relative speed in observation, deduction, mental application and interpretation.

"The relatively higher mental average shown by the girls is to be explained by the fact that greater discrimination is exercised in sending girls to colleges," said Dr. Roback.

POSTPONE TERM DISTRICT COURT

Adjourned Term Opening January 2, Now Set for Monday, January 21

JOHNNY DUNDEE REMARKABLE FIGHTER

By HENRY L. FARRELL
United Press Sports Editor

New York, Dec. 28.—Johnny Dundee, new junior lightweight champion, for many reasons, is the most remarkable fighter of his day. Perhaps his record might be extended so as to make him the most extraordinary boxer of all times and his field broadened to make him the most unusual type in any field of sport.

Considering what Dundee has done in the thirteen years he has been boxing, and what he is still doing, the use of superlatives is not at all unwarranted by the facts.

As an example of preservation and patience, there is nothing to equal that of Dundee, who kept plodding on for thirteen years to win a title, the world's featherweight championship, at an age, and after a career of hardships that should have shelved him as an old man.

Since he started boxing, Dundee has seen more than fifty champions of the ring rise to the top and then fade away. Only one-third of the boxers who have made names in those thirteen years are still boxing, and Dundee is a champion, and a good one.

Dundee started boxing two years before Jim Jeffries lost his title to Jack Johnson, and since then Johnson and Willard have gone.

In the middleweight class, Papke, Klaus, Chip, McCoy, O'Dowd and Johnny Wilson have come and gone while Dundee was boxing.

Melody, Sullivan, Dixie Kid, Ted Lewis and Jack Britton won and lost the welterweight championship.

The lightweight class had Gans, Nelson, Wolgast, Ritchie, Welsh and Leonard as champions, and Dundee fought Ritchie, Welsh and Leonard.

In the featherweight class the picture contained Abe Attell, Johnny Kilbane and Eugene Cirieli. Dundee fought Kilbane twice and took the title away from Cirieli.

Johnny Coulon, Kid Williams, Pete Herman, Joe Lynch and Johnny Buff lost the bantamweight championship while Dundee was moving right along.

Patsy Wallace, Abe Goldstein, Johnny Buff, Pancho Villa and Jimmy Wilde held and lost the lightly-regarded flyweight championship during Dundee's time, and the light heavyweight championship passed from Levinisky, Carpentier, Siki, McTigue, Tunney and Greb during the same time.

RUTH AND HORNSBY

WILL BE INVITED ON EUROPEAN TRIP

New York, Dec. 28.—Habe Ruth, Rogers Hornsby and a number of other players probably will be invited to join the New York Giants and the Chicago White Sox when John McGraw takes them to Europe next fall.

All Star Team Suggested

Following the suggestion of John A. Heydler, president of the National league, it may be that McGraw's plans will be altered and instead of the Giants and White Sox, a team of picked stars from the National and American leagues will be sent on the tour. Believing that Europeans should be shown the best of all players, it is certain that Ruth and Hornsby will be asked to go and Eddie Roush, Harry Heilmann and other leading players will also be invited.

Australia in 1925

McGraw has become so steamed up with the prospects of missionary work that he is now figuring not only on taking two teams to Australia after the 1925 pennant races, but he had an idea that he might be

able to promote a regular league in Australia.

He has given the plan some thought and he believes he could interest enough players in the proposition to go to Australia and keep a league going until native talent was developed to organize several teams.

Landis is Favorable

McGraw's plans for the European trip next fall will have to be approved by Commissioner Landis and it is whispered that the advisory council will be asked to pass upon the proposition.

There is no doubt that Landis will not only approve the trip, but that he will do some pushing himself. McGraw wants to take the commissioner on the trip with him.

Heydler, the National league president, has given his approval and even if Ban Johnson objects he will be downed by a 2 to 1 vote on all points.

Johnson Won't Object

Johnson might try to stop the American league players from going, but his experience in testing the authority of the commissioner is so recent and so painful that he may keep quiet even if he does not like it.

ONE BALL IS ENOUGH IN FIJI ISLAND GOLF

London, Dec. 28.—Golfing in the Fiji Islands is ideal, according to Englishmen who have been there, for the reason that it is almost impossible to lose a ball. Like most of the rest of the landscape, the golf links are largely covered with a sensitive plant which shrivels at a touch. Having putted, sliced or topped his ball, the player merely has to follow it along the line of shriveled plants to its resting place.

RICKARD TURNS TO WRESTLING MATCHES

New York, Dec. 28.—Promoter Tex Rickard, after failing to get various boxing champions to do their stuff in Madison Square Garden, has decided to stage wrestling on some dates heretofore set aside for boxing. Starting with Thursday, Jan. 3, a series of mat tournaments will be staged at the Garden. Most of the best men in the game, it is announced, have agreed to sign up for matches, including Stranger Ed Lewis, the present champion.

Pictorially, there is much of interest in the photodrama "The Cold Deck," starring Wm. S. Hart, which will be presented at the Lyceum Theatre tonight and Saturday. The most dramatic episodes take place in and among the towering redwoods of the primeval forests.

\$20,000 Check Put in Yule Collection Plate

Chicago, Dec. 28.—With the nickels, dimes and quarters that poured into the contribution box at St. Denis' Catholic church at Lockport Christmas day, was a folded bit of paper. When Rev. J. P. Donaghue, the pastor, unfolded it he found it was a check for \$20,000 for the church given by Michael Fitzpatrick, aged 70, and his two sisters Fannie and Kate Fitzpatrick. The brother is a wealthy farmer. Two years ago he gave a 200 acre farm for the Will county orphanage at Lockport. The \$20,000 contribution will be used to pay off the indebtedness of Sacred Heart school, the parish school of St. Denis church.

One day talking with a stranger he recommended Mayr's Wonderful Remedy, which helped me at once." JOHNNY DUNDEE REMARKABLE FIGHTER

By HENRY L. FARRELL
United Press Sports Editor

New York, Dec. 28.—Johnny Dundee, new junior lightweight champion, for many reasons, is the most remarkable fighter of his day. Perhaps his record might be extended so as to make him the most extraordinary boxer of all times and his field broadened to make him the most unusual type in any field of sport.

Considering what Dundee has done in the thirteen years he has been boxing, and what he is still doing, the use of superlatives is not at all unwarranted by the facts.

As an example of preservation and patience, there is nothing to equal that of Dundee, who kept plodding on for thirteen years to win a title, the world's featherweight championship, at an age, and after a career of hardships that should have shelved him as an old man.

Since he started boxing, Dundee has seen more than fifty champions of the ring rise to the top and then fade away. Only one-third of the boxers who have made names in those thirteen years are still boxing, and Dundee is a champion, and a good one.

Dundee started boxing two years before Jim Jeffries lost his title to Jack Johnson, and since then Johnson and Willard have gone.

In the middleweight class, Papke, Klaus, Chip, McCoy, O'Dowd and Johnny Wilson have come and gone while Dundee was boxing.

Melody, Sullivan, Dixie Kid, Ted Lewis and Jack Britton won and lost the welterweight championship.

The lightweight class had Gans, Nelson, Wolgast, Ritchie, Welsh and Leonard as champions, and Dundee fought Ritchie, Welsh and Leonard.

In the featherweight class the picture contained Abe Attell, Johnny Kilbane and Eugene Ciriqli. Dundee fought Kilbane twice and took the title away from Ciriqli.

Johnny Coulon, Kid Williams, Pete Herman, Joe Lynch and Johnny Buff lost the bantamweight championship while Dundee was moving right along.

Patsy Wallace, Abe Goldstein, Johnny Buff, Pancho Villa and Jimmy Wilde held and lost the lightly-regarded flyweight championship during Dundee's time, and the light heavyweight championship passed from Levinisky, Carpentier, Siki, McTigue, Tunney and Greb during the same time.

RUTH AND HORNSBY

WILL BE INVITED ON EUROPEAN TRIP

New York, Dec. 28.—Babe Ruth, Rogers Hornsby and a number of other players probably will be invited to join the New York Giants and the Chicago White Sox when John McGraw takes them to Europe next fall.

All Star Team Suggested

Following the suggestion of John A. Heydler, president of the National league, it may be that McGraw's plans will be altered and instead of the Giants and White Sox, a team of picked stars from the National and American leagues will be sent on the tour. Believing that Europeans should be shown the best of all players, it is certain that Ruth and Hornsby will be asked to go and Eddie Roush, Harry Heilmann and other leading players will also be invited.

Australia in 1925

McGraw has become so steamed up with the prospects of missionary work that he is now figuring not only on taking two teams to Australia after the 1925 pennant races, but he had an idea that he might be

able to promote a regular league in Australia.

He has given the plan some thought and he believes he could interest enough players in the proposition to go to Australia and keep a league going until native talent was developed to organize several teams.

Landis is Favorable

McGraw's plans for the European trip next fall will have to be approved by Commissioner Landis and it is whispered that the advisory council will be asked to pass upon the proposition.

There is no doubt that Landis will not only approve the trip, but that he will do some pushing himself. McGraw wants to take the commissioner on the trip with him.

Heydler, the National league president, has given his approval and even if Ban Johnson objects he will be downed by a 2 to 1 vote on all points.

Johnson Won't Object

Johnson might try to stop the American league players from going, but his experience in testing the authority of the commissioner is so recent and so painful that he may keep quiet even if he does not like it.
